

# University sponsorship application

Thanks for your interest in having Vicor sponsor your University program. Please complete all the fields below to the best of your ability. Once the form is completed please submit this application form and the official signed sponsorship request on university letterhead to [Vicor\\_sponsor@vicr.com](mailto:Vicor_sponsor@vicr.com). In the letter, please specify the exact products and quantities needed, as well as the date required. All applications and supporting documentation must be received by January 31 (for that calendar year) in order to be considered for sponsorship.

Competitions/races you are scheduled to participate in:

By what date do you need the part(s)?

Will you require technical support?

Yes No

Would your school be interested in internship opportunities?

Yes No

## University sponsorship application

Please describe your racing history, and any victories you have celebrated:

What will the Vicor part be powering (brief description)?

Briefly explain why you chose Vicor products for your design:

Submission of this form does not guarantee acceptance into the Vicor university sponsorship program. In consideration for donated parts and technical support (if available) from Vicor we require the following deliverables:

- The Vicor logo prominently displayed on your team website sponsors page and on the vehicle itself.
- A brief description of how the parts are used and why you selected Vicor for your vehicle.
- A brief video or written testimonial on the advantages of using the Vicor parts to use on the Vicor website.
- Brief description of how well you performed (placed) in your competition.
